## Dear Colleagues

The 2<sup>nd</sup> World Congress on Cardiometabolic Medicine scheduled to be held at Mumbai on 28<sup>th</sup>-29<sup>th</sup> May 2022 is the unique congress of its type. A large contingent of national and international faculty and a large audience are expected to participate in this unique World Congress,

The conference on this new sub-specialty of medicine. promises to be a unique academic extravaganza and will cover current and futuristic approaches. Panel discussions, debates, interactive sessions, quiz and hot topics in various fields are scintillating attractions of the conference.

A galaxy of speakers from the different parts of the globe will be addressing on current issues in Cardiometabolic Medicine. The scientific deliberations at this congress will have major practical value in translating the cutting edge advances into day-to-day clinical practice.

I am sure the delegates will enjoy the flashes of expertise delivered by the faculties who have excelled in their fields. On behalf of scientific committee, It's my great honour to invite you to actively participate in this conference. I am sure the proceeding of the conference will immensely contribute towards better patient care.
